

Teal's Express, Inc.
Online Account Access Registration Form

Thank you for your interest in accessing our online account features found on www.teals.com. In order to properly identify your account, we need you to complete the information below, and fax this form to 315-788-5060 or scan and email it to it@teals.com. Your account user ID will be sent to you via the e-mail address you supply once we activate your account. One access account will be given to each company, and is to be shared among that company's personnel.

TEAL class rates are supported by the rating feature of this site. Other rates are supplied at our discretion. You will need software that handles PDF format in order to see our bills of lading or proofs of delivery. When looking for these documents, please allow up to 2 business days following the pickup date for them to be scanned before calling to inquire. If you have any questions about our online access, contact our IT department, at 800-836-0369 x426 or it@teals.com.
